

Century 15W40 CH4

Description

High Performance lubricant for diesel and gasoline engines working in sever conditions.

Applications

Century Centurion 15W40 ch-4 is recommended for any diesel engine turbocharged or not, for trucks, public work engines, tractors, gen sets, ...It is compatible both with older and sewer engines. It is suitable for the most server utilization.

Century Centurion 15W40 CH-4/SL is also suitable for gasoline engines to simplify fleets maintenance.

Specifications

API CH-4/SL

Manufacturers Performance level

MB 228.3/229.1 - CAT TO2 - SCANIA ED - MAN SHPD QC - 13017 - VOLVO VDS - MACK EON-L

Features and benefits

- Anti-wear properties to reduce bore polishing
- Excellent resistance to oxidation and very stable viscosity for a perfect use in all weather conditions
- Excellent anti wear properties to increase engine life
